The NOTICE REGARDING DRAWINGS mailed March 16, 2006 stated that corrected drawings for the above-identified application received in the USPTO on April 17, 2001 (the filing date of the application) were not acceptable for the reasons identified on the Form PTO-948 (Notice of Draftperson's Patent Drawing Review) that was attached to said NOTICE REGARDING DRAWINGS.

Figs. 1 and 4 were objected to in said Form PTO-948.

Submitted concomitantly herewith are replacement drawing sheets for each of Fig. 1 and Fig. 4.

Acceptance of the enclosed drawing sheets for Fig. 1 and Fig. 4 is respectfully requested.

It is noted that the July 1, 2005 Notice of Allowability indicated that the drawings filed on April 17, 2001 were accepted.

Prompt issuance of the application is solicited.

Respectfully submitted,

---
